	#DWGO DWG® Oil <i>DRI WASH 'n GUARD® PolyGuard-1™ Oil Treatment is a highly concentrated conditioner that helps improve the natural lubricating qualities of motor oil. By adding film strength to oil, it forms a protective barrier between moving metal parts to reduce friction and wear. DRI WASH 'n GUARD® PolyGuard-1™ Oil Treatment helps make cold weather starts easier. Its anti-rust and anti-corrosive properties may help extend engine life and reduce oil consumption. 236 ml</i>	\$39.95
